

Key Features:

Ideally suited for mounting printed circuit boards or components.

Choice of two materials:

- General purpose ABS with a flame rating of UL94-HB

- Polycarbonate with a flame rating of UL94-V2

Gasketed lid with two piece "tongue & groove" construction provides protection against access of oil, dust, and water.

Rubber gasket is included and must be field installed.

Lid includes smooth recessed area for membrane, label or silkscreen.

Designed to meet IP65.

Lid is secured with self captivating M3.5 stainless steel machine screws (included), threaded into corrosion resistant bushings (for repetitive assembly & disassembly).

Lid screws are self captivating (lid holes are threaded with the first installation of lid screws).

Internal features are maximized for mounting options:

- Internal DIN rail mounting tabs

- PC board mounting posts

- Options vary with size, please refer to drawings by clicking on the part numbers below
