
1590 Series

Short Description

General Purpose Die-cast aluminium enclosure

- Meets IP54
- Natural or Black
- Black is tough polyester powder coat

Product Images

Description

The 1590 Series is a rugged, diecast aluminum alloy enclosure. Available unpainted version is vibra finished for a smooth surface with no sharp edges or textured black version is coated with tough polyester powder paint for a lasting finish, even after machining. Black screws are included to enhance appearance.

Standard versions are designed to meet IP54.

Low side wall draft angle (2 degrees or less) for easy P.C. board mounting.

Lap joint construction provides protection against dust and splashing water. Also provides improved EMI/RFI sheilding.
